

Delta Fibre Works

CFP1-2026-002 | SME | Furniture | Alexandria

Project stage: Planning stage

Evaluation snapshot

Recommendation: Reject | Eligibility: Pass | Proposed score: Pending

Requested grant: €56,000 | Co-financing: 20% | Documents processed: 2 / 3

The proposal is relevant and potentially fundable, but several assumptions around market demand and cost efficiency need closer reviewer scrutiny.

Key strengths

- Good alignment with manufacturing bottlenecks
- Relevant team experience in production and sourcing

Main risks

- Weak evidence of market pull
- Budget appears compressed in implementation months
